Dear Ms. Romualdo:

We are pleased to advise you that after careful review of your application and supporting documentation, the California Department of Transportation (Department) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE), as required under the U. S. Department of Transportation (U.S. DOT), Code of Federal Regulation (CFR) 49, Part 26, as amended.

The enclosed DBE certification will be honored by all U. S. DOT recipients in California, and your firm will continue to be listed in the California Unified Certification Program (CUCP) database of certified DBEs under the following specific areas of expertise:

NAICS Category Codes	Description
541380	Testing laboratories

Work Category Codes	Description
I8734	Laboratory testing and analysis

Your DBE certification is good for five years from the date of this letter and applies only for the above codes. You may review your firm's information in the CUCP DBE Database, which can be accessed at the California Department of Transportation's website at www.dot.ca.gov/hp/bep/. Any additions and revisions must be submitted to the Department for review and approval. Near the five-year certification period, your entire file will be reviewed in order to ascertain continued DBE certification status. You will be notified of the pending DBE status review and any documentation updates necessary several weeks prior to the renewal due date.

The Regulations also require annual updates during this five-year period. In order to assure continuing DBE status, you must submit annually a No Change Declaration form (which will be sent to you), along with supporting documentation. Based on your annual submission that no change in ownership and control has occurred, or if changes have occurred, they do not affect your firm's DBE standing, the DBE certification of your firm will continue until the five-year certification period.

Also, should any changes occur that could affect your certification status prior to receipt of the DBE Declaration, such as changes in your firm's name, business/ mailing address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify me immediately. DBE certification is subject to review at any time. Failure to submit forms and/or change of information will be deemed as failure to cooperate under Section 26.109 of the Regulations.

You should know that all U. S. DOT recipients in California will honor your DBE certification status if your firm is certified by **any** one of the CUCP certifying agencies listed below:

- California Department of Transportation (Caltrans)
- Central Contra Costa Transit Authority (CCCTA)
- City of Fresno
- City of Los Angeles
- Los Angeles County Metropolitan Transportation Authority (METRO)
- San Diego County Regional Airport Authority
- San Francisco Bay Area Rapid Transit District (BART)
- San Francisco International Airport
- San Francisco Municipal Transportation Agency (SFMTA)
- San Mateo County Transit District (Sam Trans)/Peninsula Corridor Joint Powers Board (JPB)
- Santa Clara Valley Transportation Authority (VTA)
- Yolo County Transportation District (Yolobus)

Congratulations, and thank you for your continued interest in participating in DBE Program. I wish you every business success and look forward to hearing from you if I may be of any assistance to you in this regard.

Sincerely,

JANICE SALAIS
